

KENNETH BARRY DORE

Kenneth Barry Dore brings his clients the highest level of personal injury experience, personal service, and dedication to obtaining fair compensation for his clients. He is committed to helping individuals get their lives back to normal with as little stress as possible.

He works hard for you.

Kenneth Barry Dore fought an eight-year battle, against one of the state's largest insurance companies, and won at the Washington State Supreme Court in a case that means every person with both PIP and uninsured motorist coverage is entitled to have their insurance company share in the legal expenses required to recover compensation in an uninsured motorist case.

If you have questions or just need some advice, call for your free initial consultation.

DO YOU NEED AN ATTORNEY?

If you answer YES to any of these questions, it's time to ACT!

- Have you been INJURED?
- Has your car been significantly DAMAGED?
- Have you sought TREATMENT from a health care provider after you were injured?
- Does the person responsible have INSURANCE coverage?
- Have you been injured as a result of another's NEGLIGENCE?
- Does your injury PREVENT you from working?
- Having trouble getting your medical bills paid?

- Do you know your LEGAL RIGHTS?
- Do you have a personal injury claim?
- How are you going to afford to get treatment for your injury?
- Will your insurance pay for treatment or lost income before final settlement?
- What do you do right now?
- What are you going to do when the insurance adjuster calls?
- How are you going to get your car fixed?

Don't you think you deserve and need to know the answers?

IF YOU ANSWERED "YES"

to any of the questions, or DON'T KNOW THE ANSWERS, THEN YOU NEED TO CONSULT AN EXPERIENCED, SUCCESSFUL PERSONAL INJURY ATTORNEY RIGHT NOW!

WHY?

Because personal injury attorneys - and particularly the **Law Office of Kenneth Barry Dore** - are here to help you secure your legal rights and make a fair recovery.

Can you afford NOT to consult an attorney? We work on a contingency basis. This means that the fees (usually one-third of the final compensation amount plus costs) will not be paid until you recover through a judgment or settlement.

Call Kenneth Barry Dore today. Make sure you have a competent, experienced attorney working for you.

Home/Hospital Visits Available.
